2018 upc available for purchase (Dwight)

Inspector question: cross connection to food grinders

Detectable double check.....

pitcher rinsers at star bucks going indirect....certification prior to approval

Mechanical side (Ben) live/work podiums, tenant improvement down below

Shaft goes into living space.....(Gaylord wash down possibility)

Not sure if space below can allow the hood without access or cleaning

So may not be able to open restaurant.....

Old Business:

Nfpa new coded asse got opened up this 211 proposed changes

38 people in meeting from across the industry

Local 398 thanks to pipe welder.....ray referral

Thanks to Dwight backflow certification in 3 counties

nick.....helped business a lot La city county has an apprenticeship for backflow prevention certification for LA city journeyman card.....

Non plumbers doing bfpd certifications, so it is nice to have universal certification

Nick Passed around photo for roof top unistrut failure on gas pipe for discussion

Durablock and Ira with pipe pier also are good replacements

Respectfully submitted
